

Hinchtech Limited T/A Nitronica Conflict Materials Statement

Hinchtech Limited T/A Nitronica is aware of the reporting obligations legislated by Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act 2010 enacted by the U.S congress and the due diligence guidance from The Organisation for Economic Co-operation and Development (OECD) for responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas

Based on the inquiries made on our own supplier base regarding the use of Conflict Materials, we have no reason to believe that any of the conflict materials have been intentionally added to our suppliers' products.

At Hinchtech Limited T/A Nitronica we recognise our responsibility not to support or contribute to the violence and human rights violations associated with the mining in central Africa of certain minerals that are essential to the performance of today's electronics.

At Hinchtech Limited T/A Nitronica we fully understand the importance of this issue to our customers and are committed to supply chain initiatives and overall corporate social responsibility and sustainability efforts that work towards a conflict free supply chain. We are encouraging all of our suppliers to likewise support these efforts and make information on the origin of their product components easily accessible on their websites. Further details can be found at EICC (Electronic Industry Citizenship Coalition).

Sincerely

Nitronica Ltd
